The Homecoming Dance will be held on Saturday, October 21, in the auxiliary gym. The dance is from 7:00-10:00PM with the lock in enforced from 8:00-9:30PM. All students must present school ID's at the door. If you plan to bring a guest, submit the completed Out of School date form to Ms. Blackman-Stokes by Thursday, October 19.

Homecoming is a semi-formal dance. Semi-formal attire means no jeans and t-shirts. Girls should wear dresses that are in accordance with school board policy- for example fingertip length skirts and no excessive skin showing. Boys wear slacks and a dress shirt. A coat and tie are optional. Absolutely no bandannas or baseball caps should be worn to the dance. If you arrive to the dance inappropriately dressed, you will not be allowed to enter.

Homecoming and other dances are not a requirement; they are privileges that the school provides for students.

*Anyone owing lunch fees or any other fees will not be able to purchase a homecoming ticket until the debt is paid.
