Dear Class of 2022 Seniors,

Barberito Photographers is excited to announce that we will be on location at your school to take senior portraits on **November 8th, 9th, 15th, and 16th**. Appointments will be issued by Salmen High School according to alphabetical order. If an appointment time does not work, please reach out Salmen High School for any changes.

BPI will provide the cap, gown, tassel, drape, and tux for your senior portraits. We encourage boys to wear a white undershirt and girls to wear a spaghetti strap tank top to make changing between formal and cap and gown easier.

Please note that your images will be available for online purchasing. Before online proofing, the student and parent will have to submit a portrait release form through our website: <https://www.barberitophotographers.com/seniors>.

Portrait Day Tips

- Arrive with hairstyles and makeup ready.
- School policies regarding facial hair and piercings will be enforced.
- Hair styles need to fit under cap to be worn.
