

Suspension Policy

Upon returning from a suspension, the student must arrange with the teacher to have make-up work completed within a time frame not to exceed 5 school days. The discussion of assignments and dates of make-ups may not occur during instructional time. The maximum grade that a student can receive on any assignment or test given during a suspension period is 65%. No previously assigned due dates will be extended due to suspension. Major projects must be dropped off at the front office on the due date and will be graded without penalty. Any major project not dropped off will receive a maximum grade of 65%.
